# Office of Commercial Vehicle Enforcement

Within the Florida Highway Patrol (FHP), the Office of Commercial Vehicle Enforcement (CVE) is the Governor's designated lead agency responsible for commercial vehicle operations in FL.  
The agency:

- Reduces the number and severity of crashes related to commercial motor vehicles
- Protects the state's highway and bridge system from accelerated damage
- Removes dangerous motor carriers, drivers, and vehicles from our roadways
- Conducts operator and vehicle safety inspections via FL Highway Patrol Troopers

Common FL HWP Trooper conducted Operator/Vehicle Safety Inspections:

- Post Crash
- Post Weight
- Post Size
- New Entrant Safety Audits
- Compliance Investigations
- Hazardous Materials Assessments
- Traffic Enforcement
- Drug Interdiction
- Public Awareness Education
